Credit Card Payments with the Payeezy Hosted Payment Page

The Commonwealth of Pennsylvania has entered into an agreement with Santander Merchant Services powered by First Data to provide payment processing services. eCommerce payment data will now be collected and transmitted by First Data’s Payeezy Hosted Payment page.

When you make a credit card payment in the Snowmobile / ATV site, you will be temporarily redirected to the Payeezy site for secure processing of your credit card. You will then be directed back to the Snowmobile / ATV site, where you will see the confirmation of your payment and be able to download and print your receipts as in the past.

Logging In

The log in process has not changed – go to <https://www.snowatvowner.pa.gov/> and log in by supplying your vehicle’s VIN number, Model Year, and either the current Title Number or the current Registration Number.

Due to some compatibility issues, Internet Explorer 10 may not function properly with some elements of this portal. Therefore it is recommended that you utilize Chrome, Firefox or an earlier version of Internet Explorer when accessing the portal.
